

Andreas P. Diamantopoulos MD, Ph.D., MPH

Dr. Andreas P Diamantopoulos is the chief physician at the Department of Rheumatology at Akershus University Hospital in Oslo, Norway. He holds a Ph.D. degree, Norwegian University of Science and Technology (NTNU) in Trondheim, Norway, a Master in Public Health, University of California at Berkeley, USA, and a Diploma in Health Economics, administration, and management, London School of Economics, UK.

Dr. Diamantopoulos has a deep and long-standing interest in musculoskeletal and vascular ultrasound. He is the founder and director of the International Ultrasound Workshop in Large

Vessel Vasculitis in Kristiansand, Norway, where he established one of the first Fast track vasculitis and musculoskeletal ultrasound clinics.

His current research focuses on the use of ultrasound as a diagnostic and follow-up tool in large vessel vasculitides.
